

Assembly Instructions

GROOVE

Bucket cabinet/ BDD-740-4

jar furniture

WARNING

FAILURE TO FOLLOW THESE BASIC STEPS CAN LEAD TO DAMAGE THAT IS NOT COVERED BY YOUR WARRANTY

1

Read Instructions carefully.
Check no parts are missing.

2

Lay out all of the components on a soft surface
as if you were preparing to do a jigsaw puzzle.

3

Carefully identify each component, especially
those that are similar. The most common mistake
is getting things back to front.

4

Separate and identify each component from the
hardware pack and rest each one in its proper
location before fastening.

5

DO NOT fully tighten screws (leave slightly
loose). When the item is fully assembled
tighten the screws - but do not over tighten.

6

If glue is required **DO NOT** set until you are
certain that the parts belong together.

What you Need

To Assemble the Body

1xAllen key
(provided)

(Tools not provided)

Flat BladeScrewdriver

Phillips Head Screwdriver

Mallet

2 x Safety strap
(H1)

2 x Timber Screws
(H2)

Please make sure you have all these parts before you start.

Step1

One lever up, one lever down to remove the drawer

Warning Sticker

ANTI TIPPING STICKER IS LOCATED ON THE INSIDE OF THE TOP DRAWER WHICH IS LOCATED ON THE LEFT HAND SIDE CORNER

Step2

You Will need:

Screw and wall plug which are not provided. Please use appropriate fixture for your wall.

Seek advice from a qualified trades person on how to attach this safety strap to your specific wall.

Step3

You Will need:

2 x
Safety strap
(H1)

2 x
Timber Screws
(H2)

Step4

When putting the drawers back on the drawer runners fully extend the internal drawer runners first.

Step5

Guide when moving your furniture after it is assembled.

When moving assembled furniture (chest, side table, beds, buffets etc.) it is advised that the furniture be lifted by two or more people.

If the furniture is dragged it can cause damage to the furniture, and can cause the legs to become loose.

By lifting the furniture it will avoid any damages to your floor area.

Both of these outcomes will not be covered by warranties.

The job is complete!

In the interest of our environment
Please dispose of all packaging thoughtfully
